

Administrative Procedure 450

ORGANIZATIONAL STRUCTURE

Background

It is important to establish an appropriate administrative structure in order to fulfill the Division's core purpose and values, and enable it to achieve its educational goals.

Procedures

1. The administrative structure will allow for decision-making to occur at the most appropriate level.
2. An organizational chart indicating the respective positions will be developed by the Superintendent or designate and will be provided as information to the Board (refer to Appendix).
3. Role descriptions and evaluation procedures will be developed for the following administrative positions: Associate Superintendent, Principal and Assistant Principal.
